

The Future of Cloud Platforms in Government

DRIVING FORCES

1. Advancements in the cloud ecosystem will drive policy
2. Government is behind but mission agility will continue to be an accelerating force

CHANGING ECOSYSTEMS

Bottlenecks
not where
you would
think

Edge is faster
and smarter

AI is beside
you at all
times

Hybrid &
Multicloud
reign

Access to
extreme
compute

SecDevOps
will be the
norm, not
the
exception
